EDUCATION

Bachelor, Computer Science   **Grad: May & 2024**
George Mason University   Fairfax, VA
- GPA: 3.77

PROFESSIONAL EXPERIENCE

Software Engineer Intern   **June 6 - Aug 19 2022**
Sonatype   Remote
- Collaborated in an Agile Scrum team that used CI/CD practices and was dedicated to the Nexus Lifecycle product.
- Demonstrated coding proficiency in Javascript by fixing bugs in the front end of the application and writing test suites for React and Redux.
- Pair programmed to make REST endpoints and test suites in Java using Hibernate.
- Converted GEB test suites from Groovy to Java test suites that used Selenium.

Tutoring Specialist I   **Aug 22 2022 - Present**
PassCS   Fairfax, VA
- Delivered training sessions to multiple clients for college classes related to Java, C, and related Data structures during the school year.

Software Engineer Intern   **May 22 - Aug 4 2023**
Pluralsight   Remote
- Worked in a cross-functional full-stack team that developed and supported high-performance distributed systems.
- Contributed to database migrations on various Postgres tables and added functionality to endpoints using SQL and ASP.NET syntax.
- Pair programmed to authenticate users using JWTs, Typescript, and ExpressJs.
- Subscribed and performed maintenance on data streams using Postman, Kafka and Postico.

SKILLS

Languages & Technologies

♦ Python ♦ Java ♦ C ♦ C# ♦Javascript ♦ Typescript ♦ HTML ♦ CSS ♦ SQL ♦ React ♦ .NET ♦ Svelte
♦ Data Structures ♦ Test Driven Development ♦ Git ♦ Unix ♦ CI/CD ♦ Agile ♦ Jira ♦ Jenkins ♦ Docker ♦Postman

PROJECTS

Personal Portfolio Website - *HTML, CSS*
- This personal portfolio website holds all my current and future projects and information for employers.
- Used HTML, font-awesome for CSS, and Github pages to host the website.
- https://github.com/MMartin1013/Personal-Portfolio

Maze - *Java*
- A program that builds randomized mazes with dimensions 5x5 - 10x10 using an imitation of the graph data structure.
- Uses Java Swing, JUnit, and Maven package managing.
- https://github.com/MMartin1013/Maze
